CURBRIDGE
Proposal : Mixed use development comprising: an emplyment area of up to a mximum of 3,720 sq metres B1(a) offices; a hotel (up to 62 beds); up to a maximum of 257 homes together with public open spaces; landscaping; new access to Downs Road and other associated works.
Observations : Witney Town Council objects to this proposal. The plans differ significantly from those previously considered by the Town Council. The Council is concerned that there is now a lack of access to the hotel - which is now sited at the rear of the development - and also about the amount of commercial freight that will have to travel through the whole estate to reach it. The same issue applies to emergency vehicles. The new lay out for the roads is not bus friendly.
