Proposal : Change of use from HMO to Guest House (Retrospective).
Observations : Witney Town Council objects to the application for change of use on the
following grounds:-
Removal of kitchen and living room and therefore no provision for guests to have
food or drink;
Insufficient washing and bathing facilities;
Nowhere allocated for reception or management;
Concern about health and safety especially in terms of fire risk assessment;
Lack of access for service vehicles;
No provision for waste services;
Insufficient parking provision for 16 guests and management vehicles;
Over occupation of the property.
Witney Town Council is also concerned that this proposal has an impact on the
entitlement to peace and quiet in a residential neighborhood and also on the
impact of additional traffic and noise, especially late at night.
