P026 **ADRESSING A NEW DEVELOPMENT – WEST WITNEY**

The Committee received and considered correspondence from the Address Officer at West Oxfordshire District Council. There was a suggested theme of names from Witney’s War memorials. Members were not in favour of this, however, as they felt these people had been commemorated already on the war memorial and also because they did not feel it would be right to choose some names and leave out others.

Members agreed to put forward “Eliis” again as the lady had now passed away and also “Alice Batt” who had been a nurse during WW1. It was also agreed to resubmit the names previously put forward that had not been used and also that Cllr Dorward would work on finding names with a military connection to submit by the deadline of 23rd January.

RESOLVED:

- 1) to put forward “Eliis” again as the lady had now passed away and also “Alice Batt” who had been a nurse during WW1;
- 2) to resubmit the names previously put forward that had not been used previously on the development;
- 3) Cllr Dorward to work on finding names with a military connection to submit by the deadline of 23rd January.

The meeting closed at 6.45pm.
