

WITNEY

TOWN COUNCIL

NEWSLETTER

YOU SAID - WE DID

This newsletter is our opportunity to feed back to residents about how Witney Town Council responds to what you tell us in the annual survey.

Once analysed, data from our Annual Survey is published and is made available on our website and social media, as a document on request and as a link on Survey Monkey, usually around the end of May. It is also circulated to councillors as a committee report. Based on this, a series of actions are proposed by resolutions from the various committee meetings.

Some actions will be remedial and carried out as soon as possible. Others form part of longer term improvement plans and substantial projects. There may be occasions when we may not be able to address an issue raised, or deliver a solution and these are also explained in the You Said - We Did documents. Opposite is an example of actions taken and planned as a direct result of your survey feedback.

STREET FURNITURE

Comments: Not enough benches in the town. Bus shelters are tatty and filthy.

Action: An audit of ALL Town Council street furniture has been carried out which enables officers to identify areas where there is a lack of provision. When requests are received locations can be checked quickly (there maybe times when we cannot install items if the land is not under our custodianship). The bus shelters are on a scheduled cleaning regime by the Council's Works team.

Future Action: Development of street furniture improvement and replacement plan.

Your feedback is vital to keeping us informed and up to date with the needs and wants of our residents. You don't have to wait for the survey!

We are happy to hear from you all year round, by email, phone, letter or in person.

We want to be able to let you know what is going on more regularly too. You can follow us on social media, pop along to any of the Council Meetings (including the Annual Town Meeting), or sign up to our new email mailing list.

Just drop us an email with the word NEWS in the subject line to communications@witney-tc.gov.uk and we will add you to the database.

MAKE A DIFFERENCE

Could you become a Councillor?

ANNUAL TOWN MEETING

THE CORN EXCHANGE, WITNEY WED 15TH MARCH 7:30pm

The Annual Town Meeting is facilitated by the Town Council on behalf of the electorate. It's not a Council meeting, but an opportunity for residents to raise and discuss matters affecting the town. Reports are presented by the Mayor and Town Council committee chairs to let you know what the Council has been working on for the last year, and about the Council's future plans. The evening also includes a display by charities and organisations that have received financial grants from Witney Town Council.

JOIN THE CONVERSATION

The meeting is an important part of local democracy and is open to all registered electors in the town, who are encouraged to participate in the public question session. If you have any questions it would be helpful, but not essential, if they could be submitted in advance of the meeting. Questions asked in advance can be researched so that a more informed discussion can take place and a comprehensive answer may be provided at the meeting. Submit your questions by letter or email to the Town Clerk:

townclerk@witney-tc.gov.uk
Following the formal Q&A there is an opportunity for residents to speak with Town Councillors in small groups.

Tea, coffee & soft drinks will be available before the meeting.

WHERE DOES THE WITNEY TOWN COUNCIL BUDGET COME FROM?

The primary source of income for most Parish Councils comes from the Precept which is a share of the Council Tax that is collected from each household by the District Council. This is calculated on an average household (Band D property).

Witney Town Council does not receive any direct funding from central government or from business rates. The rest of its budget comes from income from some of the services it provides and from its reserves. The budget raised for this year is £1,861,708.

We explain below the contribution you make to the Town Council through your Council Tax and how it is spent.

For the year from 1 April 2023 the average taxpayer will be asked to pay £166.83 towards the services provided by Witney Town Council. This is the same as the previous year. The decision to keep the precept the same was agreed at an extraordinary meeting of the Full Council which took place on Wednesday 4th January 2023 with the Town Council acknowledging that many residents are struggling to make ends meet during the cost of living crisis. Witney Town Council is able to do this because of prudent financial management and savings which have been made this year by bringing the grounds maintenance work "in-house."

The Council itself, is facing significant cost pressures due to the level of inflation, so allowance for this has been made in its budget estimates.

Some facilities and services such as maintenance of public open spaces and play areas, and youth services generate no income for the Town Council as they are free for public use at the point of delivery.

Note 2

The Town Council cannot install bins, benches or other street furniture on land it does not have under its custodianship. We have policies that guide how and when these items are installed on land that we DO look after.

These can be found under policies on the Strategic Documents tab on our website.

Note 3

Civic events can be public events open to all such as Remembrance Day or the Civic Reception, for our Citizens of the Year. The Mayor represents the town at these events and also organises events of their own such as charity fundraisers.

Note 4

Community Events include those for families with children such as Play Days and our Advent Fayre and events more likely to appeal to adults and older people, such as our Winter Warmer Days, Heritage Open Days, Royal and National commemorative and celebration events. We aim to make our community events inclusive and accessible to everyone. We also support, facilitate and grant fund third party and large events with universal appeal, such as fairs, festivals and the Christmas lights, working with our partners to deliver successful events for all ages to enjoy.
