

## CHRISTMAS LIGHTS

Our Mayor, Councillor Joy Aitman turned on the Market Square lights in a quiet moment.

We also invited everyone to get involved in the doorstep switch on and many of you simultaneously turned on some Christmas Lights at 6pm.

Councillors are on the look out for the best lit Christmas House and will be exploring their wards and awarding a prize to the best.

# REMEMBRANCE DAY VIDEO 2020

Remembering those that made the ultimate sacrifice.

They shall grow not old, as we that are left grow old.

At the going down of the sun and in the morning,  
We will remember them.

# FRIENDS AGAINST SCAMS

Friends Against Scams is a National Trading Standards Scams Team initiative which aims to protect and prevent people from becoming victims of scams by empowering people to take a stand against scams.

By attending a Friends Against Scams online learning session, anyone can learn about the different types of scams and how to spot and support a victim. With increased knowledge and awareness, people can make scams part of everyday conversation with their family, friends and neighbours, which will enable them to protect themselves and others.
