WITNEY'S NEW MAYOR

In May Councillor Owen Collins was elected as Witney's new Mayor.

He has certainly been busy since then spending time in the community, awarding prizes in primary schools, enjoying a cuppa at the Millers Grange Friendship Café; raising flags and attending events across town. He even got to open Witney Music Festival!

If you would like the Mayor to come along to an event you are holding you can [find out more about him along with a booking form on the Mayor's Page.](#)

Councillor Georgia Meadows was elected as Witney's Deputy Mayor, Councillor Ruth Smith as the Leader of the Council and Councillor Joy Aitman as the Deputy Leader.

CAN YOU HELP US?

As a Council we are absolutely committed to representing the whole town – including those demographics who have been historically under-represented, or who have previously found barriers to their engagement.

We are seeking to engage with people from minority demographics and communities and those who may experience life in Witney differently, to share their ideas and experience with us.

This will ensure that our decisions and policies are as informed as possible as to their impacts on residents.

If you take a strong interest in our town or have ideas about changes you would like to see, then you have just what we are looking for.

To find out more about sharing your ideas and expertise please drop an email to info@witney-tc.gov.uk and we can put you in touch with members of the panel.

WITNEY IN BLOOM

WITNEY IN BLOOM
IS ORGANISED AND FUNDED BY WITNEY TOWN COUNCIL

You can see a whole year of work and the plans that exist for future maintenance and development of Witney Lake and Country Park in the portfolio (follow the link in the image above). This was presented to the judges to remind them of everything they had seen and talked about on their tour of the area with Carl, our Biodiversity and Green Spaces Officer.

Our dedicated In Bloom page has more about our Community Gardeners and Schools In Bloom challenge, plus a look at the criteria for judging and past results.

There is also a link to resources from the Royal Horticultural Society for those who may be interested in Community Gardening.

The results from our judging visit are due in September and are eagerly awaited.

It offers valuable downloadable resources on a variety of antisocial behaviours and issues.

These support greater understanding about how we identify and deal with community safety issues and support victims, by knowing where to get help, how and who to report to.
