

| ID | Latin Name               | Common Name             |
|----|--------------------------|-------------------------|
| 1  | Polycelis sp.            | A flatworm              |
| 2  | Dugesia sp.              | A flatworm              |
| 3  | Valvata piscinalis       | The Nerite              |
| 4  | Bithynia tentaculata     | Common Valve Snail      |
| 5  | Lymnaea peregra          | Jenkins's Spire Shell   |
| 6  | Gyraulus albus           | The Bithynia            |
| 7  | Gyraulus laevis          | A bladder snail         |
| 8  | Gyraulus crista          | Wandering Snail         |
| 9  | Hippeutis complanatus    | Great Pond Snail        |
| 10 | Acroloxus lacustris      | Keeled Ram's-horn.      |
| 11 | Sphaerium corneum        | Whirlpool Ram's-horn.   |
| 12 | Musculium lacustre       | Twisted Ram's-horn.     |
| 13 | Piscicola geometra       | White Ram's-horn        |
| 14 | Theromyzon tessulatum    | Smooth Ram's-horn.      |
| 15 | Hemiclepsis marginata    | Nautilus Ram's-horn     |
| 16 | Theodoxus fluviatilis    | Flat Ram's-horn         |
| 17 | Potamopyrgus antipodarum | Lake Limpet             |
| 18 | Physa acuta              | Horny Orb Mussel        |
| 19 | Lymnaea stagnalis        | Lake Orb Mussel         |
| 20 | Planorbis carinatus      | A fish leech            |
| 21 | Anisus vortex            | A leech                 |
| 22 | Bathyomphalus contortus  | A leech                 |
| 23 | Helobdella stagnalis     | A leech                 |
| 24 | Erpobdella octoculata.   | A leech                 |
| 25 | Asellus aquaticus        | A leech                 |
| 26 | Glossiphonia complanata  | A water slater          |
| 27 | Asellus meridianus       | A water slater          |
| 28 | Cloeon dipterum          | A freshwater shrimp     |
| 29 | Cloeon simile            | A freshwater shrimp     |
| 30 | Caenis horaria           | Pond Olive              |
| 31 | Aeshna grandis           | Lake Olive              |
| 32 | Anax imperator           | Angler's Curse Mayfly   |
| 33 | Nepa cinerea             | Blue-tailed Damselfly   |
| 34 | Micronecta scholtzi      | Common Blue Damselfly   |
| 35 | Crangonyx pseudogracilis | Red-eyed Damselfly      |
| 36 | Gammarus pulex           | Brown Hawker            |
| 37 | Ischnura elegans         | Emperor Dragonfly       |
| 38 | Enallagma cyathigerum    | Common Darter           |
| 39 | Erythromma najas         | A water bug             |
| 40 | Sympetrum striolatum     | Common Water Measurer   |
| 41 | Mesovelia furcata        | A water-bug             |
| 42 | Hydrometra stagnorum     | Water Scorpion          |
| 43 | Microvelia reticulata    | A saucer bug            |
| 44 | Ilyocoris cimicoides     | A greater water boatman |
| 45 | Notonecta glauca         | Lesser Backswimmer      |
| 46 | Plea leachi              | A lesser water boatman. |
| 47 | Cymatia coleoptrata      | A lesser water boatman. |

|    |                               |                          |
|----|-------------------------------|--------------------------|
| 48 | <i>Haliphus confinis</i>      | A crawling water beetle. |
| 49 | <i>Haliphus flavicollis</i>   | A crawling water beetle  |
| 50 | <i>Haliphus immaculatus</i>   | A crawling water beetle  |
| 51 | <i>Haliphus lineolatus</i>    | A crawling water beetle  |
| 52 | <i>Haliphus obliquus</i>      | A crawling water beetle  |
| 53 | <i>Noterus clavicornis</i>    | A diving beetle          |
| 54 | <i>Hyphydrus ovatus</i>       | A diving beetle          |
| 55 | <i>Hygrotus inaequalis</i>    | A diving beetle          |
| 56 | <i>Hygrotus versicolor</i>    | A diving beetle          |
| 57 | <i>Ilybius fenestratus</i>    | A diving beetle          |
| 58 | <i>Gyrinus marinus</i>        | A whirligig beetle       |
| 59 | <i>Hydrobius fuscipes</i>     | A scavenger beetle       |
| 60 | <i>Anacaena bipustulata</i>   | A scavenger beetle       |
| 61 | <i>Anacaena limbata</i>       | A scavenger beetle       |
| 62 | <i>Helochares lividus</i>     | A scavenger beetle       |
| 63 | <i>Enochrus testaceus</i>     | A scavenger beetle       |
| 64 | <i>Hydraena riparia</i>       | A scavenger beetle       |
| 65 | <i>Limnebius nitidus</i>      | A water beetle           |
| 66 | <i>Dryops luridus</i>         | A riffle beetle          |
| 67 | <i>Elmis aenea</i>            | A riffle beetle          |
| 68 | <i>Oulimnius tuberculatus</i> | An alderfly              |
| 69 | <i>Sialis lutaria</i>         | A caddis fly             |
| 70 | <i>Agraylea multipunctata</i> | Small Red Sedge          |
| 71 | <i>Tinodes waeneri</i>        | Brown Sedge              |
| 72 | <i>Anabolia nervosa</i>       | Cinnamon Sedge           |
| 73 | <i>Limnephilus lunatus</i>    | A caddis fly             |
| 74 | <i>Molanna angustata</i>      | A caddis fly             |
| 75 | <i>Athripsodes cinereus</i>   | A caddis fly             |
| 76 | <i>Leptocerus tineiformis</i> | Grouse-wing              |
| 77 | <i>Mystacides longicornis</i> | A caddis fly             |
| 78 | <i>Mystacides nigra</i>       | A caddis fly             |
| 79 | <i>Trienodes bicolor</i>      | A micromoth              |
| 80 | <i>Elophila nympheata</i>     | A scavenger beetle       |
