WITNEY TOWN COUNCIL AUTUMN NEWSLETTER 2026

Tunes on the Square (2026)

A SUMMER OF MUSIC DRAWS TO A CLOSE

Tunes on the Square at the [Corn Exchange Witney](#) has brought a brilliant atmosphere to the Market Square every Friday, with audiences growing week after week. A huge thank you to everyone who has joined us, to all the talented musicians who have entertained us throughout the summer, to Smarts Fish & Chips for keeping everyone well fed, and to all the staff who have worked hard to make each event happen. If you're looking for more events, we have included the Corn Exchange's October What's On in this autumn issue.

The planted wheelbarrows for 2026 at Witney Carnival

Schools In Bloom Wheelbarrows

It has been another magical year of wheelbarrows planted by the local primary schools and this year's theme, "Sensory Barrows", inspired an amazing collection of imaginative displays, all designed to engage the senses. We were also delighted that every entry avoided single-use plastics, helping to make the competition more sustainable. With over 400 votes cast it was actually really close for the people's choice.

Every barrow was a winner, but our judges and carnival visitors had the difficult job of choosing their favourites.

- 🏆 Mayor's Choice: The Blake's School
- 🏆 MP's Choice: The Batt School
- 🏆 People's Choice: Windrush Primary School

A huge thank you to every school that took part. The wheelbarrows were enjoyed by residents in local care homes over the summer, and everyone who entered received a nature-themed prize, with an extra little something for our three winners.

MP Charlie Maynard and his favourite wheelbarrow, earning the award 'MP's Choice' (2026)

The planted wheelbarrows for 2026

Be Our Guest?

Each year we offer a barrow to a charity or not for profit organisation working with young or vulnerable people in Witney. If you'd like to be considered for next year contact info@witney-tc.gov.uk.

Prizes with the Mayor and Deputy Mayor

Following the very popular voting at Witney Carnival, the Mayor of Witney Cllr Jane Doughty and Deputy Mayor Cllr Sandra Simpson visited the local primary schools to congratulate them on their winning awards.

Each winning school received a Nature Explorer Kit to support their future wildlife activities, along with a certificate celebrating their achievement.

We are very proud and grateful for the young people in Witney taking part in our competitions. It is always exciting to see what interesting and creative ideas they have come up with.

A big thank you to all the schools who joined in this year!

Witney Youth Council at the Carnival

During this year's Witney Carnival, Youth Council ran a stand alongside the town council where they did an excellent job engaging with young people. They gathered views on an issue that is important to them - the proposed under-16 social media ban, and received a range of different views from Witney's young people.

They also provided games, activities and cold drinks, creating a welcoming and interactive space throughout the day.

Survey results and the chalkboard designed by the Witney Youth Council (2026)

Witney Town Council Volunteers' Picnic

In August, we took the opportunity to thank our amazing Witney Town Band, Witney and District Museum , and Witney Youth Council volunteers by inviting them to a picnic at The Leys, during the town band's last performance of the summer.

Witney Town Band
Witney Youth Councillors spent part of the afternoon carrying out a litter pick around the recreation grounds in support of Love Parks Week,

before everyone enjoyed the sunshine (or, more likely, the shade!) and relaxed to the sounds of the town band. The Mayor and Deputy Mayor of Witney also joined us for a catch-up and a chat with our wonderful volunteers.

Our volunteers work so hard to help us with our events, their enthusiasm always being appreciated. We are incredibly grateful for their generosity in giving up their time for the community.

Volunteers' Picnic Refreshments

Youth Council Litter Picking

If you've been inspired to get involved, we'd love to hear from you. Feel free to contact any of the organisations mentioned to find out about their volunteering opportunities, or, if you're interested in volunteering with Witney Town Council, contact us at info@witney-tc.gov.uk.

WITNEY
TOWN COUNCIL
joins in at

OPA Play Day

We had an amazing time at OPA Play Day in early August, organised by Oxfordshire Play Association - OPA alongside a wonderful range of local charities and organisations.

It was lovely to see so many families getting involved in our activities, whether making bracelets and necklaces, creating paper bugs and habitats, or decorating a custom plant pot. Best of all, everyone was able to take home something unique that they had made themselves, completely free of charge.

Families making bracelets and paper bugs at play day (2026)

Free events like OPA Play Day are so important for families in Witney; they give children the opportunity to get creative, play, and make memories over the summer without the worry of cost.

They are also a great example of our community coming together and showcasing the fantastic organisations and services available locally.

Thank you to everyone who came along and took part. We hope you had as much fun as we did, and we look forward to seeing you again next year!

2026 OPA Play Day

What's happening in our Green Spaces?

New Interpretation Boards at Witney Lake & Country Park

We're delighted to have welcomed new interpretation boards installed at two entrances of Witney Lake & Country Park: Mill Meadow and the Avenue Two entrance.

The new signage, part-funded by Oxfordshire County Council, the Lower Windrush Valley Project and Freshwater Habitats Trust, provides visitors with helpful information about the park's local flora and fauna, walking routes and seating areas, as well as a detailed map to help them navigate the park and make the most of their visit.

We hope the new maps and information will give visitors a greater sense of place and help them discover even more of this wonderful Local Wildlife Site and Local Nature Reserve.

The new interpretation board at Avenue Two (2026)

The new interpretation board at Mill Meadow (2026)

Interested in volunteering?

The Green Spaces team are always looking for help with the many tasks they do on a daily basis. If you like working outside with the rich nature of Witney, contact info@witney-tc.gov.uk.

Road Verge Nature Reserve at Burford Road

A section of land along Burford Road has now been designated as a Road Verge Nature Reserve (RVNR) by Oxfordshire County Council, joining the approximately 57 existing RVNRs across Oxfordshire.

Rather than being regularly mowed, the area will be allowed to grow naturally, creating space for a greater variety of plants and providing valuable food and habitat for local wildlife. Regular monitoring will take place to ensure this wildlife value is maintained or enhanced over time. The verge is already home to a range of wildflowers and plants, including Great Mullein, Musk Mallow, Knapweed, Yarrow, Tansy and Woolly Thistle.

Installation of the sign on the verge (2026)

The designation signage (2026)

New signage has also been installed so that passers-by can learn more about the species growing here and take a closer look at the plants that call the verge home.

You can read about Road Verge Nature Reserves in further detail, including the locations of the other 56 RVNRs, on the OCC website.

Investing in our Young People

Witney Town Council's Youth Services Grants

Witney Town Council is proud to announce the allocation of its annual **Youth Services Grant** to nine youth-focused organisations across the town.

The Council was unable to fund every application in full. Each submission was nevertheless carefully considered, with funding prioritised for new and sustainable projects that most closely aligned with the objectives of the scheme for the Witney Community. Particular emphasis was placed on inclusive, preventative and open-access initiatives that are accessible to young people in Witney, clearly signposted and able to demonstrate a positive impact.

The successful applicants and their funded projects are:

The Witney Buttercross Scouts received £5,000 towards essential infrastructure and environmental improvements at The Old Oak, a newly approved 6.5-acre campsite and outdoor activity hub in North Leigh. The project will provide hundreds of Witney-based Scouts with access to a safe, accessible and inclusive outdoor recreation facility, while also creating opportunities to work alongside other local youth groups and primary schools.

1st North Leigh Guides were awarded £500 towards a sailing session at Farmoor Reservoir,

providing young people with an affordable opportunity to develop new skills, build confidence and take part in an adventurous outdoor activity.

The Benefice of Witney received £2,000 to support an open-access weekly youth café for young people in Witney. The sessions will offer free activities, crafts and wellbeing support, alongside a safe and welcoming environment where young people can build positive relationships with trusted adults.

Yellow Submarine received £1,500 to deliver its Witney Youth Club summer activities for families with learning-disabled children aged 11–18 across Witney and West Oxfordshire. Small groups of 12–16 young people will take part in stimulating activities within the local community, providing families with respite while helping young people develop confidence, independence and friendships.

Aspire were awarded £2,500 for small-group tuition for 50–100 young people aged 16–24 at their Witney Hub. The sessions will help participants strengthen their essential skills and build a stronger foundation for their future.

Witney Skatepark (2024)

Hope After Harm received £1,000 to support its trauma-informed mentoring programme for young people in Witney experiencing significant challenges, including trauma, exclusion or risk of exclusion, conflict and other barriers. The programme provides individual support designed to help young people navigate these challenges and make positive progress.

Courtside Hubs CIC were awarded £2,000 for their Schools Outreach Project, which will take a targeted approach across up to 14 schools, reaching an estimated 3,000–4,000 children over the year. The project will provide free pickleball and physical activity sessions, alongside activity festivals where pupils can access masterclasses and free tennis, padel and pickleball opportunities.

Be Free Young Carers received £2,000 towards their 13+ and 8–12 Youth Groups, which meet monthly throughout the year. The groups provide young carers with a safe and supportive space away from their caring responsibilities, with food, opportunities to build friendships with peers facing similar challenges and access to youth worker wellbeing support.

A representative from Be Free Young Carers commented:

"Be Free Young Carers are incredibly grateful for the support from Witney Town Council. The charity expanded into Witney in 2025

and has been delighted to see young carers registering from across the town.

This funding will allow us to deepen the support we are able to offer these young carers in need."

In addition, **Home-Start** were awarded £12,000 to support their programme of free weekly groups and summer activities for babies, toddlers and young families across Witney, including specialist provision for children with SEND.

Cllr Thomas Ashby, Chair of the Stronger Communities Committee, said:

"I am deeply proud to help deliver this funding; by investing in everything from weekly youth cafes to mental health and outdoor activities, we are ensuring Witney's young people get the safe spaces, mentorship, and opportunities they deserve."

Cllr Ruth Smith, Leader of the Council, added:

"Once again, the committee was pleased to award Youth Grants to initiatives that brought new opportunities to Witney's young people. A brilliant investment in our future."

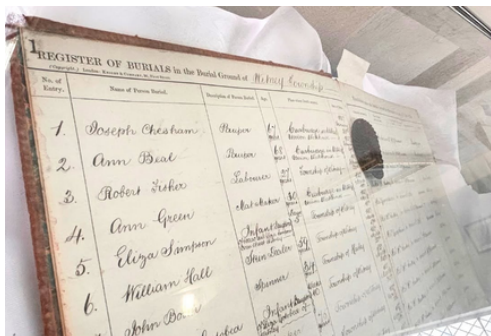

Lives in Stone: Witney's Everyday Histories

In September, we opened the Tower Hill Cemetery Chapel for two days as part of the Heritage Open Days initiative, featuring some new trails, walks and taking visitors through the history of the area.

It was lovely to welcome a wide variety of residents of all ages and backgrounds to enjoy our exhibition and the cemetery trails we had prepared. The children's trail, which took you through on a journey to some of the most interesting features of the cemetery, while the adults' trail introduced you to some important names that helped shape the history of Witney, such as Thomas Early and Alice Maud Batt.

Alongside a selection of historic documents and exhibition boards, the first burial book for the cemetery was also on show, with the first burial dating back to 1857. The occupations of residents at that time ranged from Pauper to a Gentleman of Independent Means, and from Blanket Weaver to Workhouse Worker, all handwritten in a book dating back over a century.

We would like to gratefully thank the over 100 residents who joined us in taking a step back through time. We hope you enjoyed yourselves as much as we did!

Photos from the day, including the first burial book for Tower Hill Cemetery

£1,000 Discretionary Grant towards new e-bike for the Witney Neighbourhood Policing Team

Witney Town Council was pleased to award a £1,000 Discretionary Grant towards the purchase of a new e-bike for the Witney Neighbourhood Policing Team.

Commenting on the grant, Thames Valley Police said: "The e-bike will enhance community engagement, improve response times, and contribute to building safer and more connected neighbourhoods."

CLlr Thomas Ashby, Chair of the Stronger Communities Committee, commented:

"The local Neighbourhood Policing Team does vital work keeping our community safe, and this new e-bike is a brilliant tool to support their efforts. It allows officers and PCSOs to stay highly visible, cover more ground across Witney, and build stronger, face-to-face connections with residents in every part of our great town."

CLlr Ruth Smith, Leader of the Council, added: "It's great to see our Neighbourhood Policing Team nimble enough to beat traffic, cutting emissions and reaching parts of Witney other modes of transport cannot reach"

Mayor Jane Doughty with the Witney Neighbourhood Policing Team

The new living Bus Shelter (2026)

New Biodiversity Bus Shelter on Oxford Hill

Purchased by Witney Town Council following a recommendation from the Stronger Communities Committee, the shelter forms part of our commitment to upgrading bus shelters across the town. The project was supported by grant funding from Community Action Group, Witney Town Hall Charity, Climate Action Oxfordshire and Oxfordshire County Council.

The new shelter replaces the previous vandalised shelter, which had been left with no perspex. The bin was also relocated by the District Council to improve disability access. The two shades of green help the shelter blend into its surroundings, while the lime-green flash makes the seating area easier to identify for people with visual impairments.

Awards and Accreditations

Witney Town Council's St George's Day Event in April won the Oxfordshire Association of Local Council's award for **Community Event of The Year 2026**.

The event was planned as a family-friendly inclusive event celebrating Witney's heritage, our front line services and everything which makes Witney special for everyone.

Contributors to the event included Witney Vikings, local clubs, food providers, Witney Museum, The Shake Shop, Blizzard Security, and frontline services. It was supported by the Town Crier, Mayor, Deputy Mayor, local primary schools, and businesses participating in various competitions.

The success of the day reflects the strength of community partnership. Thank you to everyone who worked with Witney Town Council to make it happen, and to the many staff, councillors and volunteers whose efforts behind the scenes helped bring the event to life.

Photos from the event and the certificate for Community Event of the Year 2026

Witney Lake and Country Park Receives Local Wildlife Site Status

In June, Witney Lake and Country Park was awarded **Local Wildlife Site status**, recognising the site's significant ecological value and the continued dedication to protecting and enhancing biodiversity across the park.

Local Wildlife Sites are recognised for their importance in supporting wildlife habitats and species at a county level. They play a significant role in conserving biodiversity, protecting natural landscapes, and creating spaces where both wildlife and communities can thrive together. The designation highlights the ecological importance of Witney Lake and Country Park and the ongoing commitment to sensitive environmental management.

Witney Lake (2025)

Witney Cemeteries Awards

Witney Town Council has been recognised with a **Silver Award** in the 2026 Cemetery of the Year Awards, alongside **Gold Standard certification** for both of the Town's cemeteries.

Councillor Ruth Smith, Leader of Witney Town Council, said:

"Both the Silver Award and the Gold Standards achieved by our two cemeteries are a reflection of the diligence and care that Town Council staff show day in, day out. From officers making the arrangements that matter at the hardest time of people's lives, to the works team tending the beautiful grounds and plots themselves, everything is carried out with care and respect. Regular feedback from the Friends of the Cemeteries group has also contributed to the high standards we see today."

The recognition reflects Witney Town Council's ongoing commitment to maintaining its cemeteries to a high standard, while providing welcoming, well-cared-for spaces for the community.

Certificates and photo at the awards

Witney Town Council Finalist for Oxford Climate Awards 2026

In September, Witney town council were shortlisted for the **Oxford Climate Awards 2026**, as a result of development and management in the biodiversity of our green spaces.

A section for the article in the Oxford Times reads:

"Biodiversity is considered in every aspect of Witney Town Council's approach to managing green spaces and planning for the future. Supporting wildlife, strengthening climate resilience, improving public spaces and enhancing community wellbeing lies at the heart of its work."

The award ceremony is scheduled for later this month, with final placements yet to be confirmed. We are thrilled to have been shortlisted and eagerly anticipate future advancements in our green spaces.

These awards join the collection of Witney Town Council's awards and accreditations, the full list of which you can find on our website: www.witney-tc.gov.uk/awards-and-accreditations

Children's Christmas Card Design Competition

Every year, Witney Town Council ask primary school-aged children in Witney to design the most festive drawing for the Mayor's Official Christmas Card. This card is sent to local councils, organisations, and partners of the Town Council. It's a great rainy-day or classroom activity to get the creativity flowing!

There will be one winner and a few runners-up, all chosen by the Mayor, Cllr Jane Dougherty.

The competition is open to any child currently at Primary School in Witney and we also welcome entries from children enrolled in Witney community groups, such as Brownies, Beavers and others, as well as entries from primary age children resident in Witney.

Entries can be submitted by email, post or delivered to the Town Council office. The template can be downloaded from our website at the link below or you can simply draw a square on a sheet of A4 paper.

Don't forget to include your name, age, school, and your contact details with the artwork. **The closing date for this competition is Friday 16th October 2026.**

Please submit your entries to:

Who are Witney's unsung heroes?

Young carers, community gardeners, sports group leaders, charity organisers and people who simply go that extra mile for others. What do they all have in common?

They have all been recognised in previous **Witney Citizen of the Year Awards!**

Now we're looking for the people, groups and organisations who deserve their moment in the spotlight in 2026.

This year, we particularly want to hear about our young people. There are so many doing brilliant things – caring for others, running clubs, fundraising, volunteering, helping younger children and supporting their communities. If you know a young person who deserves recognition, please nominate them!

The awards include:

Citizen of the Year – 18 and over

Young Citizen of the Year – 17 and under

Organisation, Group or Sports Team of the Year

There are also awards for Outstanding Merit, Outstanding Commitment to Public Service and Outstanding Contribution.

And after a few years away, we're delighted to bring back the Best Allotment award! So, if you know someone with a particularly fabulous plot, we want to hear about it!

Nominees must live in Witney or carry out the work for which they are nominated in Witney.

Citizen of the Year and
Civic Awards 2026

**Citizen
Of the
Year
Awards**

Nominations close on 10 January 2027.
